10th International Symposium on Nutritional Aspects of Osteoporosis

Kerry Hotel, Hong Kong
28 November – 1 December, 2017

Invitation

As the only regular meeting in the osteoporosis field to be exclusively devoted to nutrition, bone and muscle, it allows us to review the new scientific data, discuss new concepts, and update the knowledge on several nutrients. This symposium provides a unique opportunity to connect health professionals, researchers and industry across many disciplines, including nutrition and dietetics, exercise science, gerontology, nursing, general practice, academia and the food and fitness industry.

This invitation is to all scientists and health professionals interested in the field of nutrition, bone and muscle. We look forward to welcoming you to Hong Kong.

Preliminary Program

- Protein
- Energy deficiency
- Potassium
- Calcium
- Bone density and quality
- Bone-muscle, sarcopenia and frailty
- Exercise-nutrient interactions
- Bone and gut microbiome
- Exercise: nutrition interactions
- Vitamin D
- Omega 3 fatty acids
- Plant bioactives
- Prebiotic fibers

Call for Abstracts

Participants are invited to submit abstracts for oral and poster presentations to isnao17@purdue.edu by 15 April, 2017. Abstract submission is welcome and encouraged prior to official registration for the meeting. Best Oral and Poster Awards will be given. Students may also apply for Young Investigator Travel Awards through the registration website www.ISNAO2017.com after 1 March 2017.
