

Thomas R Ziegler, M.D.  
Professor  
GG23 Emory University Hospital

[tzieg01@emory.edu](mailto:tzieg01@emory.edu)

## **Bio**

### Education:

M.D., Michigan State University; 1983

Internship and Junior Residency in Medicine, St. Joseph Mercy Hospital, University of Michigan Medical School, Ann Arbor, MI; 1983-1985; Senior Residency in Internal Medicine, Carney Hospital, Boston University School of Medicine, Boston, MA; 1985-1986

Clinical/Research Fellowship in Nutrition; Laboratory for Surgical Metabolism and Nutrition, Brigham and Women's Hospital and the Dana Farber Cancer Institute, Harvard Medical School, Boston, MA; 1986-1989

Clinical/Research Fellowship in Endocrinology and Metabolism; Harvard Combined Endocrinology Training Program, Brigham and Women's Hospital, Joslin Diabetes Center and Beth Israel Hospital, Harvard Medical School, Boston, MA; 1989-1992

## **Research**

Molecular mechanisms and nutrient, growth factor and redox regulation of intestinal cell growth, repair, and function in clinical and translational models

Mechanisms of action and metabolic/clinical effects of specialized nutrition support in critical illness

Gut mucosal mechanisms and metabolic/clinical effects of modified diet, glutamine, and specific growth factors in clinical and translational models of short bowel syndrome and inflammatory bowel disease

## **Clinical**

Director, Center for Clinical and Molecular Nutrition, Department of Medicine

Director, Emory University Hospital and Wesley Woods Geriatric Center Clinical Interactions Network (CIN), Atlanta Clinical and Translational Science Institute

Co-Program Director, Research Education, Training and Career Development Core, Atlanta Clinical and Translational Science Institute

Director, TL1 predoctoral training component and Co-Director, KL2 training component, Atlanta Clinical and Translational Science Institute

Faculty in Nutrition and Allied Health; Emory Graduate Division of Biological and Biomedical Science

Investigator, Emory Winship Cancer Institute

Co-Director, Nutrition and Metabolic Support Service, Emory University Hospital, Atlanta, GA

Outpatient nutrition/metabolism and bowel rehabilitation service, Emory Clinic, Atlanta, GA

Editorial Boards: American Journal of Clinical Nutrition (1997-2003), Clinical Nutrition (2004-present), Current Opinion in Clinical Nutrition and Metabolic Care (1997-present), Journal of Parenteral and Enteral Nutrition (1992-present), Nutrition (2007-present), Journal of Nutrition and Metabolism (2009-present), Chinese Journal of Clinical Nutrition (2009-present), American Journal of Physiology-Gastrointestinal and Liver Physiology (2009-present).

## **Teaching**

Teaching: Co-Director, Nutrition/Metabolism module, M1 curriculum, Emory University School of Medicine
