OF MANITOBA

## Canada Research Chair – Tier 2 (NSERC)

**Ecosystem Dynamics & Metabolism Chair,  
Departments of Biological Sciences (Science) and  
Human Nutritional Sciences (Human Ecology), University of Manitoba**

The Departments of Human Nutritional Sciences (Human Ecology) and Biological Sciences (Science) invite applications for a joint NSERC Tier 2 Canada Research Chair in Ecosystem Dynamics and Metabolism, a tenure-track position at the rank of Assistant or Associate Professor, commencing **July 1, 2011**. The successful candidate must have a PhD and be able to establish a world-class, independent research program in an area that bridges the implications of ecosystem interactions on metabolism and diet, and the potential for applications to nutrition in humans and other organisms. Deadline for applications is **February 18, 2010**. Further information on this exciting research opportunity is available at [www.umanitoba.ca/admin/human\\_resources](http://www.umanitoba.ca/admin/human_resources) (Position # 10848 and # 10863 CRC).
